Sight Word Book

A group of diverse young children, including boys and girls of various ethnicities, are smiling and looking towards the camera. They are wearing colorful clothing like green, pink, and purple. The background is a soft, out-of-focus light color.

Dear Parents,

The sight words listed in this book are for children ages 4-7. The line preceding the word can be used to place a checkmark, or a sticker once the child has mastered the word. Sentences including each sight word are listed under the word. Sight words should be reviewed for a few minutes (10-15 minutes) daily to ensure that your child learns these words and can recognize them in printed text. The easiest way to print your book is in Adobe Reader. Once print settings are open select booklet. Your book can be printed and bound with yarn, staples, binding, etc.

Enjoy!
